**Bottom Line:** In the Monthly Rotarian Calendar,  
what does October represent?

**Answer:** Vocational Service Month - which is  
sometimes the forgotten Avenue of Service in  
Rotary. High ethical standards in business and  
personal life are still as important today as  
they were in 1905. Vocational Service, in  
Rotary, means that we are committed to honest  
business and unassailable ethics, and that we  
are equally committed to using our vocational  
skills and advantages to help others. (Rotary  
website)

**Next Week's Question:** What resource groups  
were appointed by RI President J. Kennedy to  
help clubs and districts address specific  
issues in their communities.

**Answer:** In next week's newsletter.
